50 BMW SERVICE:
BMW Service, BMW Financial Services and the BMW experience.
THE CENTRE OF ATTENTION.

The BMW 4 Series Gran Coupé combines exceptional charisma and elegance with absolute everyday usability. As a four-door coupé, it is a dynamic marriage of opposites – with a beautiful design that captivates the eye again and again. Discover a new era of aesthetics. Discover the BMW 4 Series Gran Coupé.
The broad, muscular rear communicates clear sporting intent. The flowing coupé silhouette of the BMW 4 Series Gran Coupé immediately makes it stand out from the crowd. Every time you look at it the impression is the same: this is a car that looks good from any angle.
ONCE YOU’VE SAT DOWN YOU WON’T WANT TO GET OUT.

Everything in the interior of the BMW 4 Series Gran Coupé is adapted to your needs. Each control element is ergonomically oriented towards the driver. Every surface delights the eye and touch. The flowing interior trim lines extend from the instrument panel to the doors and all the way to the rear cabin, while the frameless doors make the interior appear even bigger and more distinguished. It’s an enjoyment that can be shared: the rear seats accommodate up to three people.
STUNNING LOOKS.
GREAT PRACTICALITY.

Looks great, is practical in everyday use, and impresses you afresh every day – for example with its large single-piece tailgate, which comes with an automatic opening and closing function as standard.
TO SUM UP:
IT'S A REAL BMW.

This vehicle simply has everything – including that certain something. Its dynamic lines, clever functionality and fascinating driving performance create an attraction that no one can escape. Open the door and get in!

INNOVATIONS AND TECHNOLOGY.
BMW TwinPower Turbo engines.
At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW petrol and diesel engines from the BMW EfficientDynamics engine family can achieve agile performance and excellent responsiveness even at low rpms, while at the same time featuring exceptionally low fuel consumption and emissions. Increased efficiency and optimal dynamics guarantee noticeably more intense driving pleasure. 

BMW TwinPower Turbo six-cylinder in-line diesel engine 430d.

The absolute highlight in the BMW 4 Series Gran Coupé is the multi-award-winning BMW 430d. It's considered the global benchmark for dynamic power delivery and impressive efficiency. Its proven technology concept is used in nearly all BMW diesel engines. These new-generation engines ensure maximum driving pleasure while consuming less fuel and generating fewer emissions than their predecessors. Together with the optional eight-speed Steptronic sport transmission, they enable everything from comfortable cruising to very dynamic driving.

BMW 435d xDrive1.
- BMW TwinPower Turbo six-cylinder in-line diesel engine with 230 kW (313 hp) and 630 Nm torque
- 0–100 km/h: 4.9 sec; top speed: 250 km/h (electronically limited)
- Combined fuel consumption: 5.6–5.7 l/100 km
- CO2 emissions: 146–150 g/km

BMW 430d xDrive2.
- BMW TwinPower Turbo six-cylinder in-line diesel engine with 190 kW (255 hp) and 550 Nm torque
- 0–100 km/h: 5.6 sec (430d xDrive: 5.3 sec);
top speed: 250 km/h (electronically limited)
- Combined fuel consumption: 5.1–5.3 l/100 km
(430d xDrive: 5.3–5.5 l/100 km)
- CO2 emissions: 134–136 g/km
(430d xDrive: 140–145 g/km)

BMW 420d xDrive.
- BMW TwinPower Turbo four-cylinder diesel engine with 140 kW (190 hp) and 400 Nm torque
- 0–100 km/h: 6.7 sec;
top speed: 247 km/h
- Combined fuel consumption: 4.7–5.1 l/100 km
- CO2 emissions: 125–135 g/km

BMW 418d.
- BMW TwinPower Turbo four-cylinder diesel engine with 110 kW (150 hp) and 320 Nm torque
- 0–100 km/h: 5.0 sec;
top speed: 213 km/h
- Combined fuel consumption: 4.3–4.5 l/100 km
- CO2 emissions: 114–119 g/km

BMW 440i xDrive3.
- BMW TwinPower Turbo six-cylinder in-line petrol engine with 240 kW (326 hp) and 450 Nm torque
- 0–100 km/h: 5.5 sec; (440i xDrive: 5.3 sec);
top speed: 250 km/h (electronically limited)
- Combined fuel consumption: 6.6–6.8 l/100 km
(440i xDrive: 7.1–7.4 l/100 km)
- CO2 emissions: 154–159 g/km
(440i xDrive: 165–172 g/km)

BMW 420i xDrive.
- BMW TwinPower Turbo four-cylinder petrol engine with 135 kW (184 hp) and 290 Nm torque
- 0–100 km/h: 7.5 sec;
top speed: 236 km/h
- Combined fuel consumption: 4.2–4.5 l/100 km
(420i xDrive: 4.6–4.9 l/100 km)
- CO2 emissions: 111–119 g/km
(420i xDrive: 121–129 g/km)

BMW 430i xDrive.
- BMW TwinPower Turbo four-cylinder petrol engine with 185 kW (252 hp) and 350 Nm torque
- 0–100 km/h: 5.9 sec (430i xDrive: 5.9 sec);
top speed: 247 km/h
- Combined fuel consumption: 5.9–6.2 l/100 km
(430i xDrive: 5.9–6.2 l/100 km)
- CO2 emissions: 143–151 g/km
(430i xDrive: 138–144 g/km)

BMW 435i xDrive.
- BMW TwinPower Turbo four-cylinder petrol engine with 240 kW (326 hp) and 400 Nm torque
- 0–100 km/h: 4.8 sec;
top speed: 250 km/h (electronically limited)
- Combined fuel consumption: 6.6–6.9 l/100 km
(435i xDrive: 7.1–7.4 l/100 km)
- CO2 emissions: 146–150 g/km
(435i xDrive: 140–145 g/km)

BMW 440i xDrive.
- BMW TwinPower Turbo six-cylinder in-line petrol engine with 240 kW (326 hp) and 450 Nm torque
- 0–100 km/h: 5.5 sec; (440i xDrive: 5.3 sec);
top speed: 250 km/h (electronically limited)
- Combined fuel consumption: 6.6–6.8 l/100 km
(440i xDrive: 7.1–7.4 l/100 km)
- CO2 emissions: 154–159 g/km
(440i xDrive: 165–172 g/km)
BMW EfficientDynamics
Less emissions. More driving pleasure.

Whether the goal is maximum performance or minimum fuel consumption – for BMW, the focus is always on delivering quintessential BMW driving pleasure. BMW EfficientDynamics is the strategy developed by BMW to minimise fuel consumption and CO₂ emissions while simultaneously increasing dynamics and driving pleasure. It is a comprehensive technology package that encompasses the engine, energy management and the vehicle concept – and is standard in every BMW.

OPTIMISED AERODYNAMICS FOR OUTSTANDING EFFICIENCY.

Every BMW boasts excellent air resistance figures, thanks to a range of aerodynamic elements that complement each other perfectly. This in turn has a positive effect on efficiency and fuel consumption. These elements include a flat undercarriage cover and aerodynamically optimised exterior mirrors.

ENGINES.

The BMW TwinPower Turbo technology concept is used in all BMW petrol engines. Innovative turbocharger technology combined with High Precision Injection and the fully variable Valvetronic valve control system including Double-VANOS all improve performance, provide exceptional responsiveness even at low engine speeds and help to reduce fuel consumption.

The BMW TwinPower Turbo technology in the diesel engines combines the latest fuel injection technologies and fully variable turbine geometry with innovative turbocharger technology for enhanced efficiency and a more dynamic performance. All available engines feature a lightweight aluminium design and come with a maintenance-free particle filter.

OVERALL CONCEPT.

The BMW intelligent lightweight construction concept involves deploying the right material in the right place, because every material has its specific strengths. This philosophy, also called BMW EfficientLightweight, is an integral part of BMW EfficientDynamics today, and included as standard in every BMW.

ENERGY MANAGEMENT.

The ECO PRO Mode helps drivers reduce their fuel consumption by up to 20 per cent, depending on their driving style. Another 5 per cent can be saved by using the coasting function (only with the eight-speed Steptronic transmission), the Route-Ahead Assistant (only with Navigation System Professional) or ECO PRO Route (only with Navigation System Professional or Business).

Based on data from the navigation system, the Route-Ahead Assistant recognises curves, built-up areas, speed limits and motorway exits, and gives the driver tips in advance about when to stop accelerating.

The coasting function disconnects the drive train from the engine and the car coasts without the engine running. This happens when the driver is travelling at speeds between 50 and 160km/h and takes their foot off the accelerator but doesn't brake, and the Route-Ahead Assistant doesn't foresee a need to adjust the speed.

The Automatic Start/Stop function switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to further reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes his or her foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

Brake Energy Regeneration means that the alternator normally only generates electricity when the driver takes his or her foot off the accelerator or brakes – making productive use of excess kinetic energy to feed the battery.

---

1 Determined in a BMW in-house fuel consumption study, dependent on individual driving style.
BMW ConnectedDrive
So connected, you’re free.

Our world is becoming more closely connected every day. And for BMW drivers it goes without saying that they can request information, communicate via telephone or email and always be up to date – all while they’re on the go. The BMW ConnectedDrive concept encompasses all the services and innovative technologies that link BMW vehicles and their passengers to the outside world and surrounding traffic.

The BMW ConnectedDrive Services* option provides the driver with a wide range of information, entertainment and service features on the road.

It also includes BMW Online, which enables you to access current, localised information such as weather, news and an online search powered by Google™, as well as various office functions. You can also combine individual services and features such as webcams, fuel price info, parking information, travel and hotel guides in the “Applications” menu.

The secure and comfortable use of selected smartphone applications is also included for an unlimited period of time. The ConnectedDrive Services option also includes access to the BMW ConnectedDrive Store, in which services and apps can be booked, extended and selected according to individual needs, at any time and from any place. The ConnectedDrive Services option also offers much more to make each journey in a BMW into a real experience.

* May not be available in all countries. Please consult your BMW partner.

For further information on BMW ConnectedDrive please visit www.bmw.com/ConnectedDrive

The BMW ConnectedDrive with its intelligent services and assistance systems is ready with all the right equipment. BMW ConnectedDrive Services & Apps offer more freedom by providing versatile connections between the driver, vehicle and the outside world. BMW ConnectedDrive Driver Assistance systems make driving a BMW safer and more comfortable. And intelligent systems make life easy for the driver and minimise the dangers of traffic.

Always see where you’re going. The full-colour BMW Head-Up Display projects relevant driving information directly into the driver’s line of vision, allowing him or her to fully concentrate on driving. The display includes data such as the current speed and – depending on the equipment – navigation tips, Speed Limit Info incl. no-overtaking indicator, telephone and entertainment lists, along with information and warnings from the various driver assistance systems.

The optional Concierge Services* connect the driver to a BMW Call Centre agent at the push of a button. The agent can locate a particular restaurant, the nearest cash dispenser or an emergency pharmacy and send the address details directly to the car’s navigation system.

Music to go. With Online Entertainment, a flat-rate account can be opened with any BMW music partner, for example with Napster, which can also be used with any other device supported by the provider. That means unlimited access to millions of tracks.

The display is not fully visible with polarised sunglasses. The contents shown by the Head-Up Display depend on equipment. Further optional equipment is required for additional displays.

The images shown have been last updated in May 2015.
Chassis.
A solid foundation for superior driving dynamics.

The BMW 4 Series Gran Coupé contains a whole host of innovative technologies to help you get the most out of each drive. Many of these systems are intelligently linked with each other. Their interaction ensures that you can enjoy maximum driving pleasure, in maximum safety – on every straight, in every corner, every second of your drive.

THE INTELLIGENT BMW xDRIVE FOUR-WHEEL DRIVE SYSTEM.

The intelligent BMW xDrive four-wheel drive system adapts perfectly to even the most challenging road surface conditions, ensuring outstanding traction at all times. With xDrive and Dynamic Stability Control (DSC), the vehicle remains directionally stable and on track. Split second response times allow xDrive to distribute drive power flexibly between the two axles for optimum grip. In this way, xDrive combines the advantages of all-wheel drive – traction, directional stability and safety – with classic BMW agility.

The Adaptive M suspension maximises the vehicle’s dynamic potential. The driver can adjust the driving characteristics via the Driving Experience Control to enable whichever driving style is most appealing at the time – from comfortable to extremely athletic. Whenever setting is chosen, the Adaptive M suspension’s electrically-controlled dampers calibrate to suit the road conditions within fractions of a second. The system also uses numerous sensors that measure wheel vibrations, as well as vehicle speed, in order to achieve optimal damping and vehicle safety. COMFORT mode can be selected for relaxed travelling. SPORT mode enables a distinctly athletic suspension setting with noticeably tighter damper settings. For extremely dynamic driving, SPORT+ mode is the best choice: the DTC function (Dynamic Traction Control) is activated, which allows more wheel-slip on the drive wheels, for athletic driving that pushes the limits of the car’s dynamics. However, the DSC function is not completely disabled – rather it intervenes much later – within the limits of what is physically possible and safe – in order to stabilise the vehicle.

The optional Variable Sport Steering with Servotronic enables direct and agile handling combined with reduced steering effort. It uses the steering ratio as a function of the steering angle, independently of the current vehicle speed. This enhances agility and handling when using a sporty driving style and increases comfort when parking or turning off.

Driving Experience Control, included as standard, lets the driver choose between the standard COMFORT mode, the ECO PRO mode, geared towards efficiency, and the SPORT mode, which enables even more dynamic driving. The ECO PRO mode adjusts the responses of the accelerator pedal and transmission as well as the heating/air conditioning settings to suit the driving situation.

The optional eight-speed Steptronic sport transmission with gearshift paddles adapts to suit the driver’s individual driving style. Its range is perfect for everything from comfortable cruising through to a very dynamic driving style. In SPORT mode, the gearshifts are configured for maximum performance. It is also possible to change gears manually by using the gear selector lever or the steering wheel gearshift paddles.
Safety.
Unparalleled safety with the latest BMW technology.

The BMW 4 Series Gran Coupé features advanced technologies on which you can rely. Impressive driving characteristics and innovative equipment come as standard. As a driver, you will be aided by state-of-the-art technology able to give you maximum support in any situation, making you feel safe no matter what condition the roads are in.

INNOVATIONS FOR MAXIMUM SAFETY.

The BMW 4 Series Gran Coupé proves that elegance and safety go perfectly together. Advanced technology makes every drive comfortable and safe. The optional Adaptive Headlights with variable light distribution for example respond to your steering wheel movements, for a better view of the bend ahead. Or take the optional High-Beam Assistant: you can just keep it turned on permanently and focus on driving – the system will switch to high beam and low beam automatically, without dazzling oncoming drivers.

- Dynamic Stability Control (DSC) permanently monitors the vehicle’s status, optimising directional stability and traction.
- BMW Selective Beam (the BMW anti-dazzle high-beam assistant, only available with Adaptive LED Headlights or Adaptive Headlights) detects other road users and selectively excludes them from the high-beam headlight distribution.
- Intelligent emergency call* automatically establishes a connection with the nearest rescue coordination centre through the BMW call centre whenever needed – without the use of a mobile phone.
- Active Protection is BMW’s preventive passenger protection system. It triggers precautionary measures in potentially dangerous situations and brakes the vehicle after an accident has occurred.

* May not be available in all countries. Please consult your BMW partner.
EQUIPMENT: BMW Lines, M Sport package and BMW Individual, equipment highlights, wheels and tyres and Original BMW Accessories.

COLOURS: Exterior and interior colours.

TECHNICAL DATA: Weight, engine, transmission, performance, fuel consumption, wheels and dimensioned drawings.

BMW SERVICE: BMW Service, BMW Financial Services and the BMW experience.

INDIVIDUALITY AND ADAPTABILITY.
The BMW 4 Series Gran Coupé in the optional Glacier Silver metallic exterior colour, with the optional 18” light alloy wheels V-spoke style 398. The B-pillar in high-gloss Black makes for an elegant look. The doors with frameless windows emphasise the car’s elegant, coupé-style appearance. Sport leather steering wheel, black, with three spokes, multifunction buttons and chrome inlay.

17” light alloy wheels star-spoke style 394, 7.5 J x 17 with 225/50 R 17 tyres. Xenon headlights include a headlight washing system, accent lights and automatic headlight range control as well as four LED light rings that act as parking lights and daytime running lights.
LUXURY LINE.

LUXURY Line interior equipment features:
- Door sill finishers in aluminium with “BMW” lettering
- Seats in Saddle Brown Dakota leather upholstery with exclusive stitching, alternatively seats in Veneto Beige Dakota leather upholstery with exclusive stitching; other upholstery options available
- Car key with Pearl-Gloss Chrome detailing
- Air conditioning and radio control unit with Pearl-Gloss Chrome detailing
- Centric console trim in high-gloss Black with exclusive chrome detailing
- Seat heating for driver and front passenger
- FineLine Anthracite fine-wood trim with Pearl-Gloss Chrome accent line or Burled Walnut fine-wood trim with high-gloss Chrome accent line; other interior trims available
- Ongaged/white or variable Ambient light
- B-pillar illumination
- 2-zone automatic air conditioning with extended features

Luxury Line exterior equipment features:
- BMW kidney grille featuring eleven slats with high-gloss Chrome fronts
- Front bumper with specific design elements in high-gloss Chrome
- 19" light alloy wheels Multi-spoke style 399 with mixed tyres; other wheels available
- “Luxury Line” lettering on the side
- Air Breathe in high-gloss Chrome, alternatively in body colour
- Side window frames and window recess finishers in high-gloss Chrome
- Rear bumper with specific design elements in high-gloss Chrome
- Tailgate trim in high-gloss Chrome

BMW Individual:
The Luxury Line can be perfectly complemented with equipment from the BMW Individual range (see page 36/37).

SPORT LINE.

SPORT Line interior equipment features:
- Door sill finishers in aluminium with “BMW” lettering
- Sport seats in Anthracite Track cloth with red or grey highlights
- Sport seats in Black Dakota leather with red highlights; other upholstery options available
- Sport leather steering wheel with red contrast stitching, alternatively available with black stitching
- Car key with red detailing
- Instrument cluster featuring speedometers and rev counter with chronometers and contrast rings in red
- air conditioning and radio control unit with Chrome detailing
- Centric console trim in high-gloss Black
- High-gloss Black interior trim with matt Coral Red accent line
- Fine Brushed Aluminium interior trim with high-gloss Black accent line; other interior trims available
- Distinguished or white variable Ambient light
- Driving Experience Control with additional SPORT+ mode
- Lights package
- 2-zone automatic air conditioning with extended features

Sport Line exterior equipment features:
- BMW kidney grille featuring nine slats with high-gloss Black fronts
- Front bumper with specific design elements in high-gloss Black
- 19" light alloy wheels Double-spoke style 399 in bi-colour Ferric Grey
- 19" light alloy wheels Star-spoke style 407 bi-colour with mixed tyres; other wheels available
- “Sport Line” lettering on the side
- Exterior mirror caps in high-gloss Black or alternatively in body colour
- Air Breathe in high-gloss Black or alternatively in body colour
- Side window frames and window recess finishes in matt Black
- Rear bumper with specific design elements
- Tailpipe trim in high-gloss Black

BMW Individual:
The Sport Line can be perfectly complemented with equipment from the BMW Individual range (see page 36/37).
M SPORT PACKAGE.

M Sport package interior equipment features:

- M door sill finishers and M driver’s footrest¹
- M door sill finishers and M driver’s footrest
- Sport seats for driver and front passenger in Hexagon Anthracite cloth/Alcantara upholstery with exclusive M looks
- M leather steering wheel with multifunction buttons
- BMW Individual headliner in Anthracite
- Instrument cluster featuring speedometer and rev-counter with chronoscales and contrast rings in red
- Air conditioning and radio control unit with Chrome detailing
- Centre console trim in high-gloss Black
- Aluminium Hexagon interior trim with matt Blue accent line or Fine Brushed Aluminium interior trim with high-gloss Black accent line; other interior trims available
- Shortened gear lever (only in conjunction with six-speed manual transmission) with “M” logo
- Driving Experience Control with additional SPORT+ mode
- Orange/gold or white variable Ambient light
- Car key with blue detailing
- Lights package
- 5-zone automatic air conditioning with extended features

M Sport package exterior equipment features:

- M Aerodynamics package with front apron, side sills and rear apron with diffuser insert in Dark Shadow metallic
- BMW kidney grilles featuring nine exclusively designed slats with high-gloss Black fronts
- 18" M light alloy wheels Star-spoke style 400 M with mixed tyres
- 18" M light alloy wheels Double-spoke style 441 M in Ferric Grey metallic, 19" M light alloy wheels Double-spoke style 442 M in Ferric Grey with mixed tyres, 19" M light alloy wheels Double-spoke style 442 M in bi-colour Orbit Grey metallic or 19" M light alloy wheels Star-spoke style 403 M with mixed tyres
- M Sport suspension² or standard suspension
- Adaptive M suspension
- M Sport brakes
- BMW Individual High-Gloss Shadow Line
- “M” logo on the side
- Tailpipe trim in high-gloss Chrome
- Exhaust tailpipe Blue metallic paint finish or alternatively Carbon Black metallic; other exterior colours available
- Air Breather in high-gloss Black, in satin-finish Aluminium or in body colour

All accent lines are continued on the doors and in the rear of the cabin.

¹ M driver’s footrest not available in combination with Veneto Beige or Ivory White Dakota leather.
² M Sport suspension not available for models with xDrive.
BMW Individual
The expression of personality.

More room for your ideas.

Make your highest standards a reality: Inspired by the light of the moon, the BMW Individual paint finish Moonstone metallic bathes the BMW 4 Series Gran Coupé in glimmering tones of silver. And, depending on the fall of the light, the finest pigmentation shimmers from silver to golden yellow through to a greyish blue.

More room for free expression: The BMW Individual fine-grain Merino leather Nutmeg clothes the generously proportioned interior in pure luxury. The velvet-soft, pristine surfaces make the high quality tangible, while the delicately worked piping and stitching reveal both outstanding craftsmanship and a passion for detail. The BMW Individual fine-wood trim Ash Grain White adds a note of added sophistication and, together with the leather-covered instrument panel, perfectly rounds off the exclusive interior ambience.

EXPERIENCE BMW INDIVIDUAL INTERACTIVE.
WITH THE BMW INDIVIDUAL APP FOR IOS AND ANDROID.
1 The doors with frameless windows emphasise the car’s elegant, coupé-style appearance.
2 The Adaptive LED Headlights come with additional features such as an accent light, low-beam and high-beam functions, the anti-dazzle High-Beam Assistant, LED fog lights and cornering lights.
3 SPORT+ mode only available with eight-speed Steptronic Sport transmission, Variable Sport Steering, Adaptive M suspension, M Sport package or Sport Line.
4 Standard on 430i xDrive, 440i, 440i xDrive, 430d, 430d xDrive, 435d xDrive.

### Standard equipment

1. Standard on 420d, 420d xDrive, 420i, 420i xDrive, 430d xDrive.
2. Standard on 440i, 440i xDrive, 435d xDrive.
3. Standard on 430d, 430d xDrive, 435d xDrive.
4. Standard on 420d, 420d xDrive, 420i, 420i xDrive, 430d, 430d xDrive, 435d xDrive.

### Optional equipment

1. The electronic glass roof allows airflow to be regulated, creating a pleasant in-car climate. The integrated wind deflector guarantees a high level of acoustic comfort.
2. BMW Individual High-Gloss Shadow Line includes the window frame trim, window recess finishers, exterior mirror frames, mirror triangles and Air Breathers.
3. Twin tailpipes on the left with chrome trim (418d with single tailpipe).
4. The Driving Experience Control lets the driver choose between the standard COMFORT mode, the ECO PRO Mode, geared towards efficiency, the SPORT mode and the SPORT+ mode.
5. The iDrive Touch Controller (part of Navigation System Professional) intuitive control via the iDrive Controller touchpad.
6. Thanks to its tightly spaced gear ratios and fast engine speed transitions, the eight-speed Steptronic transmission ensures greater driving comfort, smoother gear shifts and reduced fuel consumption.

---

1. The figures quoted include a 90 per cent tank filling, 68 kg for the driver and 7 kg for luggage. Unladen weight applies to vehicles with standard equipment.
2. The fuel consumption and CO₂ emissions are dependent on the selected wheel and tyre size. Optional equipment may increase these figures. Please consult your BMW partner for in-depth information.
3. The figures quoted are based on the distance covered.
4. CO₂ emissions are measured in addition to fuel consumption.
5. The figures quoted are based on the distance covered. CO₂ emissions are measured in addition to fuel consumption.
6. CO₂ emissions are measured in addition to fuel consumption.
WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the Condition Based Service independently tracks both-service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it’s really necessary. When you do go, our qualified BMW service specialists take care of your vehicle using the newest workshop technology and only original BMW parts. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

THE BMW EXPERIENCE.

BMW SERVICE.

BMW Service Packages*: Individual and stress-free, just for you. Individual, well-thought-out servicing solutions, carefully tailored to you and your vehicle. With one-off, predictable costs, BMW Service Packages give you complete peace of mind, so you can enjoy owning a BMW to the very fullest. Whether it’s fresh from the showroom or already well-travelled – there’s a BMW Service Package for every phase of your vehicle’s life. All bringing you maximum quality, expertise and value retention, always at reasonable, transparent rates. And always carefully tailored to you and your BMW. Find out just how stress-free truly individual service can be! www.bmw.com/serviceinclusive

BMW Mobile Service*: This service is there for you day and night. As soon as you call, we spring into action, and take care of everything that may need doing after an accident or breakdown, with specially trained technicians working – on site or via telephone – to get your car back on the road. We offer comprehensive, country-specific mobility packages for breakdowns, and insurance that covers you in the event of an accident or theft. So if anything untoward does happen, simply call up the BMW accident hotline and we’ll go to work. We’ll take care of calling the emergency services, a tow truck, a replacement car, notifying your insurance company and much more. For further information please visit www.bmw.com

BMW TeleServices*: With Condition Based Service, you’ll be automatically reminded of your next necessary service appointment on the vehicle screen. Provided you’ve consented, key vehicle data will be relayed to BMW automatically for analysis. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment as and when necessary. To access BMW TeleServices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. The service can be deactivated at any time you so desire, and you can change your service partner in the Drive menu or ConnectedDrive portal. Find out more at www.bmw.com/teleservices

BMW TV*: www.bmw.tv enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and Lifestyle topics.

BMW Driving Experience: The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car’s physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit www.bmwdrivingexperience.com

BMW Welt: Picking up a car at BMW Welt has always ranked among the best moments for any driver. Turn this moment into one whole unforgettable day: experience the handover of your new BMW as just one part of a programme of activities perfectly tailored to your interests. At BMW Welt, you are surrounded by the BMW Museum, the main BMW factory, and the BMW Group headquarters, representing an exciting history, a breathtaking present – and spectacular visions for the future. Find out more at www.bmw-welt.com/en

BMW Magazine: In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at www.bmw.com/magazine

BMW Financial Service.

BMW Financial Services*: Mobility solutions to meet your needs. BMW Financial Services provides you with attractive leasing, finance and insurance options. To find out more, see the price list or go to www.bmwfs.com. Your BMW partner will also be glad to draw up an individual offer for you in person.

In 2015, the BMW Group was once more listed in the World and European Dow Jones Sustainability Index as one of the most sustainable automotive companies worldwide. The development of efficient vehicle concepts and environmentally friendly production processes, including recycling, is an integral part of our philosophy. BMW EfficientDynamics: and electric vehicles have enabled us to cut the CO₂ emissions from our European new-vehicle fleet by more than 35% since 1995. We have also reduced the amount of resources used in production, such as water and energy, by 34% between 2006 and 2014, with a reduction to 45% of previous levels aimed for by 2020. In terms of other resources (such as volatile organic compounds, process wastewater and waste) our 45% target was met in 2014, and we will continue to work on further improvement. Production at our engine plant in Steyr has been waste-water free since 2007. And of course, at the end of its service life, every one of our vehicles can be easily and economically recycled. To return your end-of-life vehicle, please contact your BMW partner. For more information on this issue please visit our website.
